SKIN SOLUTIONS

*Immediate Results.  
Lasting Benefits.*

CYNOSURE® LUTRONIC®

## Step 1: The Ultra Laser

The Ultra laser works by targeting unwanted pigment like sunspots, freckles or age spots in the superficial layers of your skin to reveal a brighter more youthful complexion.

Before and after 2 treatments

## Step 2: Potenza® RF Microneedling

Potenza® RF microneedling uses ultrafine needles and radiofrequency energy to penetrate the deeper layers of the skin and trigger the body's natural healing processes to tighten skin\*, improve blemishes and stimulate new collagen and elastin.

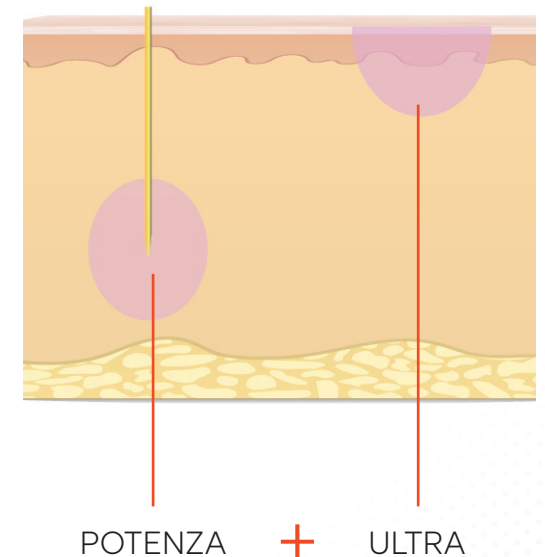

Before and after 3 Treatments

## The Power of Pairing

Ultra Skin Solutions is a complementary treatment plan that utilizes the Ultra laser to improve tone and texture for smoother looking skin, and the power of Potenza® RF Microneedling to stimulate the production of collagen and elastin\*, for reduced appearance of wrinkles, and a tighter-looking complexion.
